

Technical Sales Support Specialist

Highland, IL

Job Summary: Provide sales support to customers and Basler field sales offices utilizing technical knowledge of Basler products and their application.

Reports to: Technical Sales Support & Product Training Manager

Essential Duties:

- Assist customers in the proper selection of Basler products, installation, calibration, and minor troubleshooting.
- Travel, as required, to determine product potentials, customer needs, and assist in the sale of products.
- Maintain proper communication with assigned sales territories to ensure that sales support is provided as may be required in sales plans.
- Arrange and conduct meetings with customers at Basler headquarters.
- Present Basler products, systems, and problem solutions to customers at conferences as scheduled by sales personnel.
- Assist in promotion activities including trade shows.
- Interface and communicate with marketing personnel to provide market feedback for successful product specifications and development.
- Perform other duties as assigned.

Requirements:

- Associate's Degree in Electronics, Bachelor's degree in Electrical Engineering or Electronics Technology preferred.
- Strong technical and diagnostic skills.
- Good communication skills.
- Experienced in Microsoft Office.
- Minimum one year experience on all Basler products preferred.
- Willingness to travel into assigned territories.

Contact: Basler Electric welcomes employment applications received directly from interested candidates. We prefer that you submit your resume in Microsoft® Word or Adobe® PDF format.
